

# STOP WASTING TIME PEELING BY HAND

## Affix all types of Pressure Sensitive Labels FAST and EFFICIENTLY without complex expensive equipment!

A trouble free low cost way of affixing pressure sensitive labels when compared to the cost of complex high speed labeling equipment and the skilled personnel required to operate them

1

**1. Bottle-Matic** - 16" width Cylinder labeling machine. Label any cylindrical object fast and accurately FRONT AND BACK from .5" to 9" dia.\* at speeds of 950 Pcs. per hour!

**Bottle-Matic** is the perfect machine for labeling your cylindrical objects! It can wrap your bottles, cans, tubes, and jars by simply pressing the foot-switch! We can even do tapered objects without customizing!

\* If container is less than 1.5" diameter, empty plastic, or lightweight, a Pressure Arm may be needed.

2

### 2. Dispensa-matic "U-25"

NEW, LOW COST Label Dispenser! Power advance for roll labels to 2.5" width. Tension guide is standard for thin labels. Optional reverse switch available for labels under .5" length/width.

LDM 250

10. LDM-Convenient, Easy to use, Durable, and Economical are a few of the words used to describe our economy line of manual dispensers, the LDM series. 6.5" Max roll Dia. 3" Core adapters available \$2.00

**LDM 250 2.5", LDM 450 4.5", LDM 850 8.5", and LDM 1250 12.5"**

We dispense most labels without any difficulty. When ordering for use with Mylar, foil, acetate or very thin labels, send us a full or partial roll of the labels on the original core so we can make sure they will dispense satisfactorily. This can usually be accomplished with our thin edge plate, however we can provide other modifications, if necessary.

The efficiency and productivity of our automated dispensers is a result of the unique control of label advancement by the use of a limit switch. However for labels that do not have sufficient body to properly activate a limit switch, an optional foot switch can be used. Foot switch part# BM003.

A full 3 year parts and labor warranty covers each unit against manufacturing defect. We provide full service and parts at our plant if needed. Only limited service is ever necessary.
